# U.S. Department of State Vendor Management Plan

Download Now @ <https://www.state.gov/events-office-of-small-and-disadvantaged-business-utilization/>

The focus for ways to improve our vendor management strategies include:

- Improving the timing of Acquisition Planning and communication:
- Explore automated workflow tools
- Enhance Contract Lifecycle Management
- Continuous Process Improvement
- Explore opportunities to increase contract awards in quarters 1, 2, and 3 of the Federal fiscal year
- Improve Acquisition Forecasting and timing of the forecasts
- Ongoing review of the Vendor Management Plan Process, Procedures, Content / Timing & Methods

# Vanguard Contract Re-compete

- AQM and OSDDBU are putting together a Frequently Asked Questions page to address the high level of interest from industry over the past few months.
- Download Now @ <https://www.state.gov/events-office-of-small-and-disadvantaged-business-utilization/>
- Name Changes are coming! As we move to the re-compete phase for many contracts in the Vanguard universe in the coming months/years, these programs will focus on core functionalities with solutions surrounding IT Equipment, Logistics, Services and Administration.
